Infusion? Is that a tea or a shot from the doctor? It's neither of these things, however this music is most definitely healthy: jazz between 1970 and today, starting with the fusion era. It starts with Joe Zawinul, Pat Metheny, Keith Jarrett and on into the present with E.S.T. and Olivia Trummer. And one thing is certain: no choir in the world has ever sung that! What was primarily instrumental music, had to first be textured and arranged with great creativity. Everything tailor-made for the Jazz Choir Freiburg. It doesn't get more original than that in choir music. Jazz Choir's infusion goes straight into your veins.

The Freiburg Jazz Choir was founded in 1990 by Bertrand Gröger. They have had tours and concerts in China, Japan, Korea, Russia, Germany, France, Czech Republic, Poland, Italy, Austria, Luxembourg, Hungary, Switzerland and Denmark. Taking part in competitions (ex: 1st place in the German Choir Competition 1998 and 1st place at the Choir Olympics in Korea 2002), CD Productions (ex: "Schwing", "A Cappella", "Hammenoma", "Live in Japan") as well as Radio and Television productions have brought the Choir national and international notoriety.
